Project Title: REMOVAL SUPPORT TEAM 3

Description: This ID/IQ labor TDD will cover ID/IQ resources that will be utilized to complete the requested scope of work in support of the Removal Assessment activities being conducted at the Niagara Falls Boulevard Removal Site and Holy Trinity Cemetery. In the interest of keeping continuity on the field team (i.e., OSC has stated that the ID/IQ team member is playing an essential role at the Site), ID/IQ resources will need to be utilized to complete the requested scope of work in support of the Removal Assessment activities being conducted at the Niagara Falls Boulevard Assessment and Holy Trinity Cemetery Assessment Sites during the period of May 7 through 27, 2017. The ID/IQ cost estimate for the ID/IQ portion of the Assessment support activities ID/IQ resources will need to be utilized to complete the requested scope of work in support of the Removal Assessment activities being conducted at the Niagara Falls Boulevard Assessment and Holy Trinity Cemetery Assessment Sites during the period of May 7 through 27, 2017. The ID/IQ cost estimate for the ID/IQ portion of the Removal Assessment support activities to be conducted at the two separate Sites beginning on May 7, 2017 (during the period of May 7 through 12, 2017 and May 22 through 27, 2017 he will support the Niagara Falls Boulevard Assessment Site and for the period of May 13 through 21, 2017 he will support the Holy Trinity Cemetery Assessment Site) is attached. Two separate cost estimates can be found in the attached and the support for the Niagara Falls Boulevard Assessment Site is associated with CRT TDD No. TO-0007-0011 and the support for the Holy Trinity Cemetery Assessment Site is associated with CRT TDD No. TO-0007-0012. The ID/IQ team member will support the additional four RST 3 CRT members scheduled to complete the requested scope of work. It is anticipated that Chad will need approximately 133 hours for the Niagara Falls Boulevard Assessment Site and approximately 10

3 hours for the Holy Trinity Cemet
